

Commercial LED Lighting - TRIO Magnetic LED Light Kits

TRIO Magnetic LED Light Kit has been designed as a quick and easy to install lighting solution; suitable for cabinets, decorative lighting and general task lighting; use it for display or show case lighting. A range of ultra low profile designs, available in square or round fittings in white, black or silver finish, powered by our ultra slim universal input LED driver.

These 3000K or 6000K light colour Magnetic LED Lights have a clean, diffused 120° beam angle.

Product Features

- ★ Fast fit plug and play design
- ★ Magnetic attachment allows quick, simple fixing, even to glass
- ★ High lumen output, low power
- ★ 3 different finishes in 2 different style fittings
- ★ 3000k or 6000k variants available in all types
- ★ Suitable for cabinets, decorative lighting and general task lighting; use it for display or showcase lighting
- ★ 120° Beam Angle and 'spot free' diffused light
