

Industrial LED Lighting

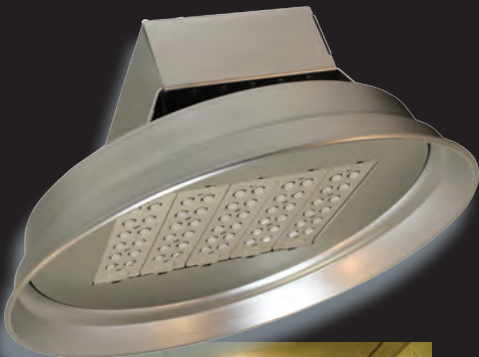

Our extensive range of commercial & industrial LED lighting options, ideally suited to a vast range of Industrial and Educational establishment applications from external area lighting through to office and classroom lighting; our range of LED fixtures provide energy efficient solutions to a number of lighting requirements, offering a realistic opportunity to reduce energy bills without reducing or sacrificing lighting performance.

Product Features

- ★ High CRI
- ★ Power factor corrected
- ★ Lenses available for different lighting Schemes (Genesis Range)
- ★ Emergency /standby lighting options
- ★ High reliability
- ★ Extended warranty options available
- ★ CE RoHS & WEEE certified
- ★ ISO9002 approved Supplier

Industrial LED Lighting - Genesis

The Genesis1 is a 135W, IP65 rated, RoHS compliant, energy saving, Natural White, High Bay LED light fitting. Suitable for domestic, commercial and retail use, and undercover lighting applications. The Genesis1 is an easy assembly and low maintenance fitting with 90% of the components suitable for recycling. The Genesis1 will produce a cost saving of up to 80% when compared to incandescent fittings.

Genesis Highbay LED Light

Part Code	GENESIS1
Luminous Flux	≥10,800
Input Voltage	120 ~ 277VAC
Input Frequency	50/60Hz
Power Consumption	140W±15%
Power Factor	0.95
CRI	≥70
Efficacy	77lm/W
IP	IP65
Beam Angle	80°
CCT	5000K
Dimensions	Ø503 x H250mm

Product Features

- ★ Industrial design embedding user convenience
- ★ Light-weight for ease of installation & maintenance free service
- ★ 50,000 hr life time
- ★ Proven provider of switch-mode power supplies to support in-house LED driver technology
- ★ Designed to provide applications long product life cycle and high energy saving
- ★ Reliable quality and manufacture capability
- ★ CE, RoHS & WEE Compliant
